.....

- * Summer Club will run from 6th June to 8th August
- * Payments should be made on the first day of attendance (prices can be found on our website)
- * Summer Club will consist of many of the usual activities normally enjoyed by our children, with some exceptions such as pool play. All other activities will be organised with safety measures implemented to prevent cross contamination between children
- * We have a Wakelake Robot called George, which has the ability to check for infections, fevers and much more. He is appealing to children and we are sure they won't mind their daily check-ups with George
- * If we feel a child may be unwell, we will call parents immediately. The child will be kept in an isolation room while waiting for parents to arrive. If the child is in need of immediate medical attention, we will take the child to the emergency room at Mubarak Hospital (parents will be informed)

Please could you provide:

- * Copy of father's civil ID
- * Copy of child's civil ID

Parent's signature Date
